PROJECT DESCRIPTION

Cluster Group Affiliation—TCE HIV

Congressional Districts Served—New York 16th

Purpose, Goals and Objectives—The intent of this TCE HIV project is to expand a drug free outpatient treatment program to include a designated women's treatment unit that addresses both substance abuse and HIV issues.

Target Population/Geographic Service Area—The target population is Latina women and their children residing in the Bronx or Manhattan.

Service Providers— TCE HIV client services will be provided by Puerto Ricans Organized to Motivate, Enlighten, and Serve Addicts, a nonprofit organization located in the South Bronx.

Services Provided—The project will provide drug-free outpatient treatment with a full array of supportive, counseling, testing, case management and referral services.

Desired Project Outputs— It is anticipated that the project will serve 180 substance abusing women and their children.

EVALUATION

Strategy and Design—Evaluators will use a repeated measures design to address both process and outcomes issues.

Evaluation Goals/Desired Results—Specific evaluation goals are not identified.

Instruments and Data Management— The ASI, the Behavior Change Model Questionnaire and the ASIBP will be used to gather client data.
